Waialua Little League placed third in the District 7 Minors All-Stars Tournament, the best finish for Waialua in many years. Our nine and ten year-old all-stars came back with exciting sixth inning victories against Waipahu and Ewa Beach before falling to the powerful Pearl City and Waipio teams. Pearl City went on to win both the District and State Tournaments.

Congratulations to manager Nick Pascual, and coaches George Hatchie and Eugene Dicion, for

grooming the players into a cohesive, positive team. District officials complimented Waialua's team for its great performance and sportsmanship.

Meanwhile, Waialua Little League is proud to have fielded a Juniors Division team for the first time in years. Mahalo to Gavin Nakamura for stepping up to provide organized baseball for our 13 and 14 year-old ballplayers, who played home games under the lights at the Waialua Recreation Center. Friday Night Games were a big hit and should be even more popular next year.

Next up is the District 7 Majors All-Star Tournament from July 13-19 at Pride Field in Kalaeloa. Waialua should be competitive and community support is encouraged. More information is available online at [ETeamz.com/Waialua LL](http://ETeamz.com/WaialuaLL).
